Our GTS/GPS unit on the groomer is working.

Anyone interested in running the swamps on Friday meet at Northernaire at 9:00 with snowmobiles.

GROOMER UPDATES

The Groomer Training was held last Saturday a bit later than planned because of the huge snowfall the night before. Twelve groomers attended.

We are always looking for new groomers. Contact Mike Ida if you are interested, 262-325-6136

COUNTY MEETING

Rick Sironi, Mike Bliefert, Clarence Wagner and Sandy Sironi attend the PCSTA meeting last night in Phillips. Many trails in the southern part of the county are impassable due to the swamps not being frozen yet. We open and close our trails as a county.

Trail 80 going from Park Falls north to Ashland County is shut down until it is rerouted. They are waiting for final approval from the Park Falls School District to go across their property. We will announce when we hear that trail is complete.

Our new maps are in!!

The PCSTA approved up to \$1000 per groomer per year for tools/equipment used for the groomer maintenance.

Our supplemental coming to us in January will be \$18,606.

OLD BUSINESS

Our agreement concerning our usage of the fire barn is signed and approved by all parties.
