Trail Report

Although grooming operations ended on Sunday, the trails remain in good to very good condition. There is little traffic so the moguls have stayed down. As expected, roads are bare but the trails in the woods are holding up. The road to Springstead has a little snow on it but not much. Trails will close at 11:59pm on 3/31/23 so get out there and ride while you can but make sure you ride right and be safe.
