Trail 102N between 121 & 103	No report
Trail 107	Very Good
Trail 108	Very Good
Trail 106/Corridor 19N	Very Good

Trail Report

All of our trails have about 3.5" of base snow. The recent snow and the loaner groomer have been good to our trails. If you notice some brush or fallen branches on the trail, please consider stopping and removing those obstacles instead of driving around or over them. Thank you!

With the upcoming warm-up, please be kind to the trails to preserve the base.
